Dear Oak Forest Resident:

We hope you are doing well and enjoying living in Oak Forest!

We are excited to have completed phase one of the new playground equipment & the buydown of the light poles from Alabama Power in the last 2 years. There is still some work to do in our parks, but the first phase was completed February 2023, and we couldn't be more pleased with the results. So many people have been brought together by being able to use these new spaces to enjoy the outdoors. No other neighborhood in West Mobile has anything like it. We hope you will help us take care of this property by being watchful of our playgrounds and reporting anything suspicious to 251-208-7211. Remember we are all a community here and nothing pleases the board more than seeing our neighbors work together. The board does plan to complete the second phase of the work once funds are available. We are hoping to have this accomplished by 2026. The cost of the remaining work is roughly \$20,000.

The other large upcoming project will be at the main entrance once the widening of Dawes Rd is completed. The county is still in the process of acquiring property to widen Dawes Rd to include a center turn lane and sidewalks on each side from Cottage Hill Rd. to the new roundabout at Jeff Hamilton Rd. As part of this process, the county purchased from our HOA for \$7,669.56 a 25' x 20' plot of land on the NE corner of Dawes & Willow Oak. Our brick entrance signs and fencing will not be impacted by this purchase, however all lights and plantings along Dawes Rd. will be removed during construction and replaced afterward. The board is working to minimize the impact to our landscaping and lighting as this project is completed. It is anticipated that work may begin soon.

A strong focus remains on improving the appearance of the properties in the neighborhood through enforcement of the covenants and restrictions. Enforcement has been an overwhelming success, and we will continue to work on the consistency we would like to see for the betterment of Oak Forest. Another focus has been on the delinquent accounts. The board has been working diligently with Royal and neighborhood residents to collect any outstanding dues. The board is happy to report that the collective debt of the neighborhood ownership to the association is down from around \$110,000 where it was in March of 2016, to \$44,056.55 as of the typing of this letter.

Enclosed you will also find the second semi-annual statement for 2025, with payment due by July 1, 2025. **Your HOA Dues currently are still \$130.00 semiannually (\$260 annually). Please remember that all past due amounts will be charged 1.5% interest monthly on the 15th.** Additionally, the HOA can place a lien on your property and bill your account \$113.50 for the filing fees, and/or send you to a collection agency for collection of the debt which can involve filing suit. In extreme cases, the association also holds legal right to foreclose on the lien against your property. Please understand that there is an enormous amount of work involved in running the association, and everything can run a lot more smoothly when dues are paid promptly. Standard operating costs this year run around \$255 per lot per year just to cover the basics, without the funding of projects. We are fortunate that the diligent work to recoup delinquent dues has produced the funds for recent major neighborhood improvement projects.

To give further report on the financial status of the HOA and its ownership, currently 186 of the 215 properties have a balance of less than \$6 owed to the association. The remaining 29 properties have balances totaling \$45,860.90 with 15 having liens on them and 8 currently in collections. The majority of these properties are currently paying down their balance and working toward paying off the balance. Those that have been uncooperative are being sued.

If you are interested, the board is always looking for volunteers willing to assist in the coordination and execution of the tasks required to run the association.

Our next neighborhood meeting is scheduled for Thursday January 8, 2026, at 7:00pm at Grace Tabernacle Baptist Church. All are encouraged to attend and bring any questions you may have. A full 2025 profit and loss statement will be provided at the meeting, as well as a report of recent projects. More information regarding this meeting will be in the December mailing.

Regards

Your HOA Board
